- SINCE 1979 -

It started in a little food stall near Manila.

Gemmae Bake Shop began serving fresh and traditional Filipino dishes. With a love for good food and a passion to share our culture, we opened our doors in Long Beach, CA in 1993.

Over 40 years later, our passion remains the same—to bring a taste of the Philippine islands to you.

Taste the difference.

Our breads, pastries, and cakes are all made by hand.

We focus on using fresh ingredients and traditional techniques to highlight the flavors of the Philippines.

Honored to serve Long Beach since 1993.

The Long Beach Legacy Business Program recognizes and promotes longtime establishments that contribute to our city's culture and identity.
